Q#. 6- Create a Project Management form and apply CSS attributes shown as blow:

Project Management

Project Name	<input type="text" value="project name"/>
Assigned to	<input type="text" value="Er Merry Petision"/> ▼
Start Date	<input type="text" value="dd - mm - yyyy"/> <input type="button" value="📅"/>
End Date	<input type="text" value="dd - mm - yyyy"/> <input type="button" value="📅"/>
Priority	<input type="radio"/> High <input type="radio"/> Average <input type="radio"/> Low
Description	<input type="text"/>
<input type="button" value="Submit"/> <input type="button" value="Clear"/>	

Q#. 7- Create a Login form and apply CSS attributes shown as blow:

The image shows a login form titled "Login Form" in a bold red font. The form is centered on a light blue background with a white wavy pattern at the bottom. The form itself has a light gray header and a white body. It contains two input fields for "Username *" and "Password *", both with placeholder text "Enter your Username" and "Enter your Password" respectively. Below the password field is a checkbox labeled "Remember me". A prominent red "LOGIN" button is positioned below the checkbox. At the bottom of the form, there are two links: "Don't have an account?" and "Forgot password?", both in red text.

Login Form

Q#. 8- Create a new Register form and hyperlink to another form shown as blow:

The image shows a register form titled "Register" in a large, bold black font. The form is centered on a light green background. Below the title is a subtitle "Kindly fill in this form to register." in a smaller black font. The form contains four input fields, each with a label above it: "Username" (placeholder: "Enter username"), "Email" (placeholder: "Enter email"), "Password" (placeholder: "Enter password"), and "Repeat Password" (placeholder: "Repeat password"). A prominent blue "Register" button is positioned below the "Repeat Password" field. At the bottom of the form, there is a link "Already have an account? [Log in.](#)" in blue text.

Register

Kindly fill in this form to register.

Already have an account? [Log in.](#)

Q#. 9- Create a new CSS Simple Login form shown as blow:

A CSS Simple Login Form is displayed on a yellow background. The form is white and features a green header bar with the text "Let's Login". Below the header, there are two input fields: "Username" and "Password". A green "Login" button is positioned at the bottom right of the form.

Q#. 10- Create a Contact form and four buttons of follow us with hyperlink with site shown as blow:

A contact form and follow us section are shown on a black background. The contact form is white and includes a yellow header bar with the text "CONTACT FORM". Below the header, there are three input fields: "Enter your Name", "Enter a valid email address", and "Enter your message". A yellow "SUBMIT" button is located at the bottom right of the form. To the left of the form, there is a "LOCATION" section with the address "28 Jackson Blvd Ste 1020 Chicago IL 60604-2340" and a "FOLLOW US" section with four social media icons (Facebook, Twitter, Instagram, and Google+). At the bottom left, there is a copyright notice "©2018 Privacy policy".
