Q#.13- Create a Contact form using CSS shown as blow:

The image shows a contact form titled "Get in touch" on a dark blue background. The form is a white rounded rectangle containing three input fields: "Name", "Email address", and "Message". Below these fields is a black "Send" button. The background also features faint HTML code snippets and a speech bubble icon.

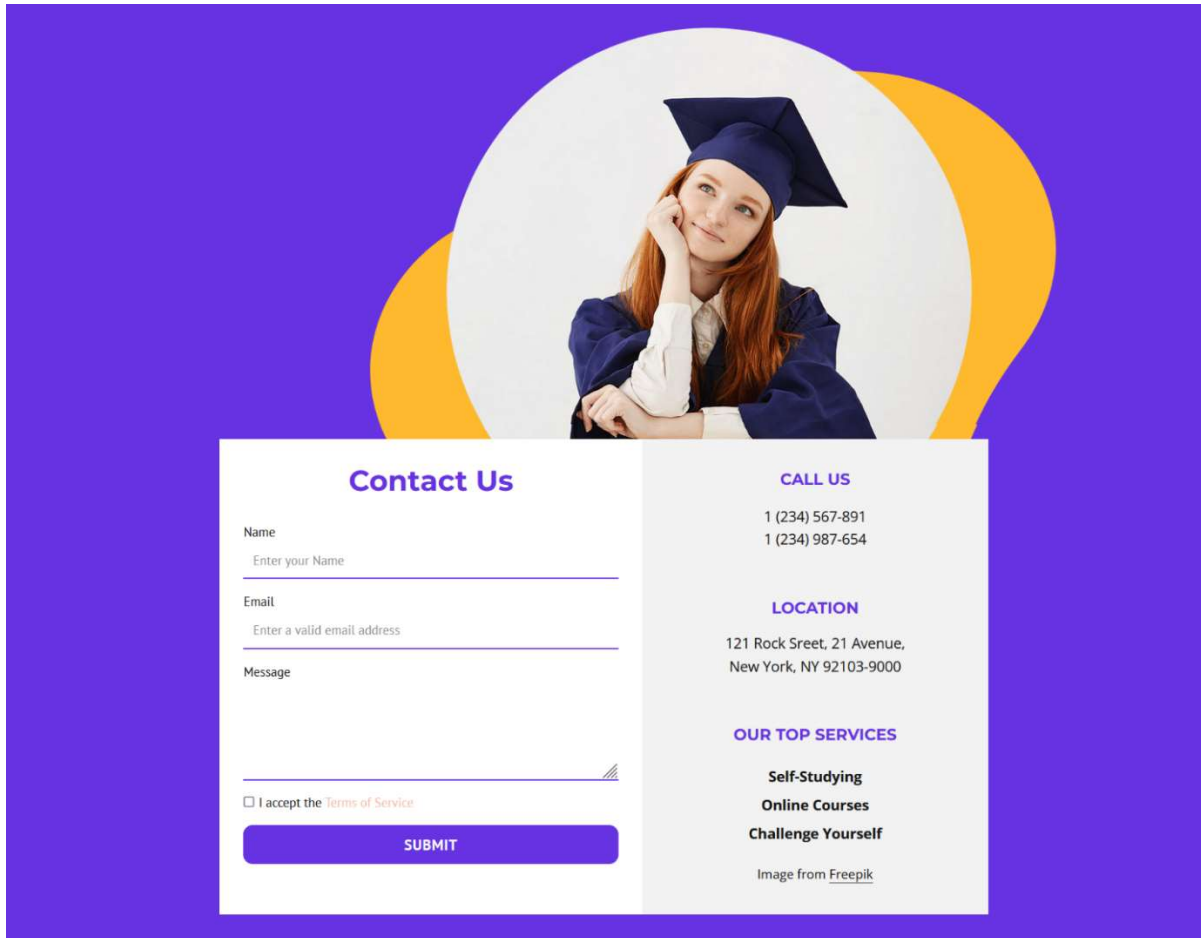

```
<label for="country">Country</label>
<select id="country" name="country">
  <option value="Australia">Australia</option>
  <option value="Canada">Canada</option>
  <option value="France">France</option>
  <option value="Germany">Germany</option>
  <option value="India">India</option>
  <option value="Japan">Japan</option>
  <option value="South Africa">South Africa</option>
  <option value="United Kingdom">United Kingdom</option>
  <option value="United States of America">United States of America</option>
  <option value="Other">Other</option>
</select>
<input type="text" value="Name" />
<input type="text" value="Email address" />
<input type="text" value="Message" />
<input type="button" value="Send" />
```

Q#.14- Create a Sign in and Sign up from using CSS shown as blow:

The image shows a sign-up form with a yellow border. At the top is a dashed box labeled "YOUR LOGO HERE". Below it are five input fields: "First name*", "Last name*", "Email address*", "Password*", and "Again password*". At the bottom left is the text "Have an account" and at the bottom right is a yellow "Signup" button.

The image shows a sign-in form with a yellow border. At the top is a dashed box labeled "YOUR LOGO HERE". Below it are two input fields: "Username or email address*" and "Password*". At the bottom left are the links "Forgot password?" and "Create an account", and at the bottom right is a yellow "Login" button.
